2nd Annual Community Wide

Harvest Sharing Event

**When: Friday Sept 9th from 10 am - 2 pm
(or until everything is gone)**

**Where: Main Street – Dewberry (if poor weather – we will set
up in the Dewberry Data's Coffee Hut)**

**Why: "Let's have fun sharing!" Here in Canada we often
have so much extra garden produce, as well as baking and
canning items that we could share. You can either take
some items or leave some or you can do both – it's all FREE!**

**Please phone Becky Smith – 780 581-4258 for more
information on this event**

2nd Annual Heifer Lottery Results

Congratulation to all the following winners

Early Bird Draw on June 18, of \$1000:
Clifford Stanley of Frog Lake Alberta

The winners of the 9 cash prizes of \$1000 are:

Norma Butz Dewberry, AB
John McCaughey Tees, AB
Margaret Bexson Smart Lloydminster, AB
Shirley Flint Kitscoty, AB
Aaron Schaumleffel Elk Point, AB
Duane White Irma, AB
Gary Gould Islay, AB
Duane Karasiuk Fort Kent, AB
Greenlawn Ladies Goodwill Club Dewberry, AB

The grand prize winner of 20 bred heifers or \$40,000.00 cash is Ralph Nault of Pierceland, SK. Ralph has chosen to take the bred heifers which were pregnancy checked and ready for him to pick up on August 16.

Thanks to everyone who supported our fundraiser and bought tickets. The economic downturn played a role in ticket sales this year as we only sold about 61% of the tickets, but will still see an overall profit of over \$100,000.00 which will be used in construction of the new hockey arena.

Also, a huge Thank You to all the volunteers that sold tickets, whether to acquaintances, friends and family OR who volunteered to sell at one of the many venues that allowed us to set up a ticket sales booth

Alberta Agriculture and Forestry

The Ag Society has qualified for a \$75,000 Agricultural Initiative Program Grant as funding towards rejuvenation and updating the hockey boards. This funding will help to insure the boards are constructed to fit with the existing ice pad and will mesh with the remaining players' boxes.

It always seems impossible, until it's done

New Dewberry Arena Update

Big changes on the site over the last couple of weeks!! You can get a sense of the building layout now with the bathrooms, dressing rooms, Zamboni and ice plant in the lean to on the south side. The smaller building on the front is the vestibule which includes the entry with two sets of double doors and a table and chair storage room that can be used for hockey bags as well. Just inside the building from the vestibule is the concession area with the kitchen on your left as you enter the doors and viewing windows straight in front of you. Fans will still watch the games from behind the players' benches that remain on the ground. It's very exciting to finally see the structure take shape and we can't wait for the interior finishes that will make it a rink!!

The steel for the building is all on site, so as soon as the structure is complete the metal cladding will be installed. The insulation is on order and should arrive any day so the building can be wrapped as the cladding goes on. The doors are all ready for delivery and will be available for installation as the structure is complete enough to accept them. The lighting plan is complete and fixtures required have been ordered for delivery once the wiring is in place. Heating and ventilation plans are nearing completion and that phase of work will be ready to begin as soon as the building is ready to accept those components. Work will begin on the interior concrete slabs as soon as Straight Up Erectors can move to the exterior and gives the go ahead for work to begin on the inside. We want to send a BIG THANK YOU out to Straight Up Erectors and our onsite CastleRock crew for putting in some long hours and working Saturdays in an effort to get us moving closer to our scheduled completion date. We have still been plagued with too many wet days that have pushed us to a mid-November completion date. The general contractor has agreed to consciously seek out sub-contractors that have over performed in the past and are also open to working weekends whenever possible in an effort to shorten that completion date. We will be working to get permission for skating occupancy as soon as possible while work continues on other parts of the building.

The fundraising group is immersed in planning for some fun and exciting events in the next couple months so stay tuned as they release plans for a couple events that will bring the community together for some entertainment, some laughs, and some good old country fun. Can't wait to see where their creative minds take us!!

SUMMER TIME!!

Well its summer and with that brings all the lovely flavors and colors of the season.

It also brings the wildlife in to see what bounty we've left for disposal.

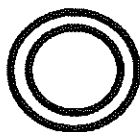

To help deter these "unexpected guests" from seeing what you have please make sure to dispose of refuse in the supplied residential bins and dispose of non household waste at the Village transfer site.
